Covid update

As the country moves into a national lockdown, school remains open but please remember **DO NOT SEND** your child to school if they display any of the symptoms and ensure you follow all of the guidelines around social distancing and self isolation.

Please ensure you make an appointment by calling 01274 779662 if you need to see anyone in school - **DO NOT** just turn up to reception.

Thank you for helping support us keep everyone safe.

Face Coverings In School

Please ensure your child brings a face covering to school as part of their uniform / equipment. This is an essential item at present to manage the risk and protect students and families from Covid. We have at present provided students with 1000's of masks, however every student does need to bring a washable / reusable mask rather than expecting everyday to be given a new disposable mask. Masks can only be removed when in class, outside or when sat down to eat.

Is your child a True Granger?

This half terms focus is on resilience - please let us know if your child has shown resilience at home by emailing us at the usual address. truegranger@coopgrange.co.uk
