

### Thank you

To everyone for supporting us with the testing process on our return to school this week. It has been a great success and will continue next week.

We have been resetting and reconnecting with students this week. We have been reminding them about our expectations around our 3 simple rules: Ready, Respectful and Safe.

If your child needs any new uniform, please contact Rawcliffes Bradford on 01274 730846 or email [rawcliffesbradford@gmail.com](mailto:rawcliffesbradford@gmail.com).

All students will be asked to follow the STAR system in school, this helps everyone show they are ready and keen to learn. Please chat to your child about this.

### Reminder

Just a reminder that mobile phones and earphones should not be seen or heard in the school building. If seen or heard in school - these will be confiscated and need to be collected from your child's pastoral leader after the end of the school day.

If this happens more than once a parent/guardian will need to come to reception to collect it.

### Your Voice

You have been sent an email with a letter explaining how you can tell us what you think we are doing well and how we can get better - please complete this at the following link:

Every year, Co-op Academies Trust carries out an annual survey in all our academies and colleges. We survey all parents, students and staff, after which we review the results and put together action plans to make improvements where needed and do more of the things you tell us are going well. It is a hugely valuable experience and only works if everyone has their say.
