

Parents Evenings - Dates for your diary

In order to discuss the progress your son/daughter is making at school - the following progress evenings are being run - these are virtual events and you need to book in using Edulink. Further details will be sent when bookings are open. Please use this opportunity to help support your son/daughter.

Year 8 - Wednesday 9th June 4 - 7 pm

Year 7 - Thursday 17th June 4 -7 pm

Year 10 Mock interviews - preparation for the future!

On May 25th and June 11th 'Ahead Partnership' will be working with our year 10 students to provide mock interviews with an aim to prepare them for College, Apprenticeships, and employment interviews in year 11 and beyond.

The interviews link to the government's Careers Strategy which highlights the importance of employers' involvement in careers programmes, and how their taking part in well-planned activities with young people is vital to "support individuals to grow and develop."

For the last 15 years Ahead Partnership has been helping businesses of all sizes and sectors to deliver social value projects that overcome inequality, promote opportunity and deliver positive change within society.

Year 10 and Year 9 experience Prison! Me! No way! Workshops this week Wednesday and Thursday

The 'No Way Trust' provides real life learning experiences for children and young people between 8 and 18, to help reduce risky behaviour and prevent them becoming involved in crime. We want young people to think carefully about the decisions they make throughout their lives, stay safe, positively manage the temptations of modern society, and increasing risks posed through social media, develop into law-abiding citizens, and achieve their full potential.

Year 7

Year 7 students are being set a challenge to complete each week. We have had some fantastic entries from students, who have designed dragons, written stories and campaigned for a cause they believe in!

We have started to notice an increase in the number of year 7 students who are coming to school with long acrylic nails on. These can be very dangerous. Students should only be wearing natural appearing nails, and will be asked to remove any long/pointed acrylic nails.
